

Big Apple Magnetic Fields Conference

Friday, January 25, 2019

Session 3 Alex Lazarian: Chair - 2nd flr Auditorium (1:45 PM - 3:45 PM)

time	[id] title	presenter
1:45 PM	[32] Axel Brandenburg: Skewness and parity breaking in simulated E and B polarizations	
2:05 PM	[34] Brandon Hensley: Modeling Polarized Dust Emission	
2:25 PM	[35] Alexei Kritsuk: Dust-Polarization Maps for Local Interstellar Turbulence	
2:45 PM	[36] David Collins: Interpreting CMB Foregrounds	
3:05 PM	[37] Carl Heiles: The Interplay between the ISM and the Magnetic Field
